Cultivating Accessible Agriculture

## for Pennsylvanians

### **Serve your community. Practice leadership skills. Earn cash!**

The AgrAbility PA Contest for Pennsylvania FFA Chapters is open now through May 31, 2019! Chapters or participating students that complete a project during the 2018-19 school year that fits into one of these categories can be submitted for entry.

### **To enter, a FFA Chapter or participating student must choose one of the following three categories:**

- A. Design an assistive technology table top demo or model
- B. Develop an AgrAbility PA video or multimedia presentation
- C. Complete a community service project

**Ideas and Information:** [agrabilitypa.org/contest](http://agrabilitypa.org/contest)

### **Eligibility Guidelines**

- The contest is open to all Pennsylvania FFA chapters.
- Each group may submit only one entry in the contest, but a FFA chapter may have multiple groups.
- Entry must be the original work of the group.

**Each category is worth \$400.** Prize money will be awarded to the submitting FFA Chapter, at which point the chapter can decide how to use the funds.

**Deadline for submission is May 31, 2019.** All winners and participants will be recognized at the Pennsylvania FFA State Activities Week & Convention taking place at Penn State University in June 2019. Representatives from AgrAbility PA will be on hand to present the awards.
