Farwell from the 2017-2018 Pa. FFA State Officer Team

"Serving as a state FFA officer the past year has truly been a blessing. It has made me realize how much opportunity we are given each day to grow as individuals, and I hope for years to come, we all take those opportunities to grow."

— Nathan Moyer, President

"Pennsylvania FFA, you remind me every day that we always have something to celebrate and be thankful for. Thank you for always leaving your impact, welcoming us with open arms this year and for initiating, creating, and illuminating opportunities for others."

— Thomas Gabel, Vice President

"The Pennsylvania FFA Association has a way of initiating, creating, and illuminating student success in agriculture, but also deeply impacting the lives of young adults. I cannot express in words how sincerely grateful I am for the Pennsylvania FFA Association and the positive difference it has made in my life. Thank you, I will forever bleed blue and gold."

— Taylor Halbleib, Secretary

"It seems as if for one year I put my life on hold, essentially pushing the 'pause' button to proudly serve my fellow members. When I retire, I will push 'play' emerging as a better person because of this experience. Pennsylvania FFA, thank you for helping me grow!"

"Thank you. Two short words that are meant to summarize the amount of gratitude and appreciation I have for this year of service. To each of you who take the time to read this article every month, thank you. We wouldn't have been able to initiate passions, create the vision of tomorrow, or illuminate communities, had we not had the support of all our readers. Thank you."

— Kelsey Stewart, Chaplain

"All things must come to an end. Thank you all for making it a memorable journey."

— Brody Coolidge, Treasurer

"This year has been full of learning opportunities. I have grown more than I expected and learned three main things. 1. Relationships are one of the most important things. 2. Things will always work out. 3. You can never stop learning. Thank you to everyone that made this year amazing."
