## Grow - Lead - Succeed

We all thought this year would solely be about serving you, the members. We expected the year to be us giving our time to help all of you grow, lead, and succeed, and that is what we prepared for.

The reality, however, was so much greater than the expectations. Not only were we given the opportunity to work with you and watch you grow as FFA members, but every one of you changed our lives.

We thought we would be helping you, but the fact of the matter is — it was you that improved our lives and helped us grow, lead, and succeed.

Thank you for being the greatest members and giving us the opportunity of a lifetime. We can't wait to watch you continue to live out our theme of Grow - Lead - Succeed for the rest of your FFA career and future.

Sincerely,  
The 2012-2013 Pennsylvania State FFA Officer Team
