- 28 1. Day time visit to classes.
- 29 2. Parent-member banquets.
- 30 3. Greenhand initiations.
- 31 4. Summer meetings, picnics, alumni event, etc.
- 32 5. Program for regular monthly FFA meeting
- 33 6. County area leadership conferences - The state will pay for two officers to attend.

34 ii. Each chapter will receive a personal email from the Pennsylvania State FFA Office in  
35 September. Chapter visits may be coordinated directly with the state office. When possible, these  
36 visits should be completed in the fall. Please work with the officer to schedule a visit and  
37 coordinate local lodging arrangements if needed. For all other requests, an officer request needs  
38 to be emailed to the FFA Executive Manager at least one month prior to the event. Each chapter  
39 may be asked to reimburse the officer for any expenses related to items not covered by the state.

40 iii. After an official chapter visit by the officers, an evaluation form will be emailed to the advisor.

2 FFA Executive Manager, so that proper counseling may be given to help the officer improve.

5 be on a “first name basis” with them, or with staff, faculty, etc. This policy is considered  
6 necessary to maintain a strong teacher-student relationship, which will facilitate instruction,  
7 evaluation, guidance, etc., and will avoid confusing officers as to what their relationship should  
8 be with various persons.
- 9 vii. Please do not ask the State Officers to judge competitive events. This will help to keep them out  
10 of awkward situations. They can best be used representing all FFA members across the state of  
11 Pennsylvania.
- 12 viii. Please do not encourage officers to deviate from the guidelines and rules, which they have been  
13 asked to follow. It would be unfair to put them in such a position.

#### 14 ***V.c. State Officer Travel Reimbursement***

- 15 i. State FFA officers traveling on official FFA business as assigned and approved by the Executive  
16 FFA Manager shall be reimbursed for travel at the current Pennsylvania government

20 for providing the mileage reimbursement for additional state officer visits for local activities.

#### 21 ***V.d. State Officer Service Scholarships***

- 22 i. State Officers will receive a \$1000 service scholarship at the end of their term. Any portion of  
23 this scholarship is available during the course of the year for travel on a board-approved, non-  
24 reimbursed FFA trip, with the balance not requested remaining available for the officer at the end  
25 of his or her term. In the event an officer receives the scholarship or a portion thereof for travel  
26 and then resigns or is terminated from office prior to the completion of his or her term,  
27 repayment of the advanced portion of the scholarship is required.

33 chairpersons to the FFA Board on an annual basis.

35 responsibilities for their respective CDE’s. The most important duty is to communicate with the  
36 Penn State FFA Week coordinator. Neither the chairperson nor the coordinator should assume  
37 that something has been taken care of.

1. Develop a list of those items you will need for your CDE. Send a copy of this list to the FFA Executive Manager, who will put it on the Pennsylvania FFA Association website. As changes occur in your event, update this list.
2. Arrange with the members of your committee and/or the FFA Activities Week Coordinator to obtain the needed items. Delegate responsibilities to your committee members.
3. Make contact with the University personnel who assist you with the CDE. You know exactly what you want; therefore you should contact these individuals.
4. If your CDE has a written test, develop a question bank for the test. This will help insure an impartial test. Make the entire question bank and answers available to all teachers through the Pennsylvania FFA Association website. Either develop the test for your CDE from this question bank or make arrangements to do so. Either make the necessary copies of the test or arrange to have copies made before you arrive. Tuesday p.m. is not a good time!
5. Be sure you have made arrangements to copy the CORRECT scorecards for your CDE.
6. Be sure you have sent copies of the CDE format and score cards to university personnel you are working with and any judges you may use in your event. Make arrangements to have the CORRECT scorecards copied. Remember it is, “Important to get diversity” from across the state when selecting judges and providing products. Delegate parts of your CDE to your committee members.
7. Contact your committee members to be sure they will be present and you have enough help. You also need to be sure you have enough help to organize the CDE – including, bring needed items, make up the test or score sheets, etc.
8. Arrange to score your CDE - by hand or through the computer. Scantron could also be used. The choice should be yours.
9. Turn in the results of your CDE, an evaluation form, a copy of your test and answer sheet, etc., at the conclusion of your event.
10. Write thank you notes to those people who made your CDE work smoothly— university personnel, committee members, etc.
11. Pick up CDE supplies on Tuesday of FFA Week and attend the Activities Week in Review Session at the PAAE Summer Conference.
12. Recruit (train, brief) CDE judges, (i.e., standards for judging or evaluating CDE’s).
13. Return CDE supplies to scoring committee location after your event.
14. Conduct your CDE in accordance to the rules and regulations of the latest edition of the CDE manual.
15. Return the CDE site (lab, classroom, shop, etc.) to its original condition if it is necessary to rearrange the facility to conduct the event.
